SPECIAL CORRESPONDENCE

The Basket Ball and musical entertainment given by the good ladies of Theodore Friday, Dec. 14, was an immense success. They well knew that Christmas would soon be here, when the little folks of this little inland town would expect a visit from Santa Claus. Hence they devised ways and means to defray the expenses of Santa Claus—and their plans were so cleverly executed that it is worth the while reporting. Numerous lunch baskets were tastefully trimmed and filled with good things to eat and sold for one dollar each. The baskets were in such demand that, notwithstanding there were sixty of them, two or three men had to be attached to each basket, the owner acting as hostess. The program was well worth hearing. A solo by Mrs. Walling was well rendered and a duet by Mrs. Dr. Bjornson and Mrs. Walling and a quartet by Dr. and Mrs. Bjornson and Mr. and Mrs. Walling were both appreciated and heartily applauded. The recitation by Miss Dora Murdock was certainly masterly executed; and the medley, the "Donkey Song" took the house by storm.
